# ANIMAL ADVENTURES

## After-school enrichment program is coming to Willow Elementary School!

Have you ever wondered what it would be like to pet a giant cockroach, high five a tarantula, or hold a slithering snake? Then Animal Adventures is the class for you!

This 7 week course will allow for incredible opportunities to get up-close with live bugs, reptiles, and some fascinating mammals.

Our visits will also allow for hands-on opportunities with many of our animal friends, a fun coloring activity, and time to answer all of your animal related questions!

Classes will meet on the following Mondays at Willow Elementary:

9/9, 9/16, 9/23, 10/7, 10/14, 10/28, 11/4
