Spring Mindfulness Yoga with Julie significantly improves children's physical, emotional and mental well-being as they learn poses and breathing techniques that build self-awareness, confidence, compassion, patience and inner calm. In a non-competitive, nurturing environment, Mindfulness Yoga helps children focus, reduce stress and gain self-control while they develop strength, flexibility, balance and coordination.

Julie Markovitz is the instructor of this class. She is a certified yoga instructor and holds a BA Degree in Child Development and Dance. Julie has taught Yoga, Meditation and Creative Movement to children, teens, adults and families for over 30 years and is the recipient of multiple awards for her innovative programming.
