# AFTER SCHOOL

So fun... it won't feel like learning!

## RED OAK ELEMENTARY

### Growing Outdoors

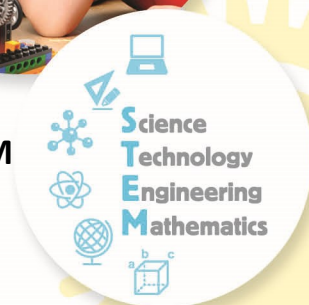

2020 Spring Trimester After School Exploratory for 1st-3rd Grades

Tuesdays February 18, 25, Mar 10, 17, 24, 31 Apr 7, 21, 28 From 2:35PM-3:35 PM

(No Class March 3; April 14)

### LEGO Sports Spectacular!

Explore sports ranging from gymnastics to biking, mini-golf to soccer! Some lessons focus on the importance of physical fitness and different aspects of fitness, such as stamina and strength. Other lessons describe the mechanics of the sport, such as the physics involved in golf and the components of a stationary bike. The best part for the students is pairing up to build moving LEGO® models and the fun they have playing with them after they're built - hitting a plastic golf ball with the mini-golf model, watching the gymnast spin around the bar, and "shooting hoops" on the basketball model. Maybe they'll be inspired to try a new sport, or build a model of their favorite sport!

Build a LEGO Mini-golf model and more!

#### Rates and Registration:

Register your child online for our program at:

[www.growingoutdoors.com](http://www.growingoutdoors.com)

and they'll receive their own

LEGO® Minifigure!

For a full description of the class and to register online, please visit:

[www.growingoutdoors.com](http://www.growingoutdoors.com)
