

## Woodworking Chill Chair Project!

As the air starts to get chilly, let's remember the summertime sun with this session's Chill Chair woodworking project! Rest your tube of sunscreen or your flip-flops in this inviting model-sized beach chair, or grab your coins from the secret compartment inside of the wooden cooler when you hear the ice cream truck coming through your neighborhood on its last warm weather rounds!

**3rd-5th Grade – Mondays (3:45pm-4:45pm ~ 60 min)**
