Performing Arts!

Come join us for games, songs, and acting in this fun, high energy performing arts class! Together, we will learn how to think creatively, explore our imaginations, and become different characters while we dance to silly songs and learn how to perform with our friends. New and classic games alike will help us tell stories together using our imaginations and feel confident while sharing ideas and performing, and we can't wait to make up all those cool and wacky characters with you. So, get ready to have fun and get silly together while we learn, grow, and explore the world of performing arts!

DK/TK-1st Grade - Tuesdays (2:50pm-3:35pm)
