How to Write a Mystery

Who doesn't love a good mystery? It's such fun to collect clues as you read a story and try to figure out the answer before it's explained!

But how do you write a mystery yourself? How do you keep your readers guessing until the BIG REVEAL?

In this class, students will explore and review the building blocks of storytelling and then delve into the specifics of how to write a GREAT MYSTERY!

We will learn about how to create suspense, drop clues, create interesting characters and how to ultimately blow the reader's socks off with the answer to the question, WHAT HAPPENED???

Join us for this suspenseful 9 week class! The only thing that's not a mystery is how much fun we're going to have!

Tuesdays (4:00PM - 4:45PM)

January 19, 26; February 2, 9, 16, 23; March 2, 9, 16
