

Woodworking Locomotive Train Project!

DEPARTING Winter 2021! ALL ABOARD...WOO-WOOOO!
Chugga, Chugga, Choo-Choo!
Come make your own wooden locomotive engine right at home: Learn how to safely saw, sand, and glue the wooden pieces that you'll cut to correct size and shape for assembling! We provide the tools and wood pieces you'll need, so join in the excitement of the steam train adventure and register today!

2nd-5th Grade – Mondays (4:00pm-4:45pm)
