

3D Paper Art – World Tour!

Let's take a trip around the world, using folded-paper to help us explore countries and cities around the globe! As we learn about different cultures and places, we'll cut, fold, and shape sheets of paper into some of earth's greatest and most wonderful landmarks, buildings, and natural features. We'll dive into history, see how ancient civilizations have left their mark on the earth, and also see many modern-day features and lifestyles that countries are known for. So, hop on board as we fold our way through this 3D paper adventure across the globe!

Comes with a colorful kit of paper supplies!
