## **Chess Tournaments with Friends!**

Love playing chess and challenging your peers? Here's your chance to enter exciting weekly tournaments across 8 whole weeks! Matches will be set up on ChessKid.com and monitored by Growing Outdoors staff. Before each tournament, we'll meet on zoom to have a short refresher on some of the rules and strategies of chess. Then you'll dive right into your chess matches online, playing against your friends in the Growing Outdoors Tournament Bowl! Each meeting is designed to maximize playing time with the added support of our staff helping each child develop their problem-solving and communication skills.

**Wednesdays**

**1st-2nd Grade (3:15pm-4:00pm)**

**3rd-5th Grade (4:15pm-5:00pm)**
