

Creative Writing:

Fantasy & **Sci-Fi!**

Sometimes nothing feels better than using writing and storytelling to escape into another world! Magic! Mystery! Adventure!

Learning to build a world that's completely different from your own takes imagination and skill, but it's so fun! Let's escape together!

In this next creative writing class, students will be practicing the art of Fantasy and Science Fiction writing!

We will also be exploring the skill of writing "Flash Fiction" where students will learn to create a very short story in class based on a prompt from the teacher.

We'll be thinking on our feet and diving head first into our imaginations! Join us for this super fun and adventurous 8 week class!
