DIGITAL ART

Monday
Grades: 4th - 5th
4:10pm-5:00pm
9/13 - 11/8

Students will gain an understanding of the fundamentals of Digital Art and Design by using image editing tools, and digital painting techniques to create Animation and Digital Media! Students will leave with an understanding of Digital Design tools for a wide variety of visual goals that can be applied in school and other future endeavors. Additional instructions for logging in will be sent after registration.
