

# Growing Outdoors presents **LEGO Engineering** at **MATES Elementary**

**Adventures in STEM Using LEGO**- Tuesdays 1:30-2:45, Grade: Kindergarten

Let your imagination run wild with tens of thousands of LEGO® parts! Build engineer-designed projects such as: Trains, Helicopters, and Treehouses. Design and build as never before and explore your craziest ideas.

**Sign up at [growingoutdoors.com](http://growingoutdoors.com)**

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Learn more at [play-well.org](http://play-well.org).**
