Yoga and Qigong with Miss Julie!

Each week children will learn age appropriate traditional yoga poses that build strength, coordination, balance, and flexibility, in addition to breathing practices that develop inner calm, mind-body awareness, concentration, confidence, compassion and patience - all tools that will last a lifetime! Children who practice yoga and qigong regularly are more relaxed, centered and steady.

Julie Markovitz is the instructor of this class. She is a certified yoga, meditation, and qigong instructor, and holds a BA Degree in Child Development and Dance. Julie has taught creative movement, yoga, qigong and meditation to children, teens, adults and families for over 30 years and is the recipient of multiple awards for her innovative programming.
