at WHITE OAK ELEMENTARY

## Chem Kidz!

Chemistry is amazing! Conduct physical and chemical experiments and learn what makes them work. Make your own desiccators and Elephant Toothpaste, grow copper sulfate crystals, and get ready for an instant snowstorm! All reactions are done outdoors and students wear protective goggles.  
*(no classes on 12/23, 12/30)*

THURSDAYS: 2:15 - 3:15 pm for Grades K - 2
