

# LEGO Engineering with Growing Outdoors: MATES

## **Minecraft Engineering Using LEGO-** Tuesdays 1:30-2:45, Grades: K-1

Venture into the world of Minecraft in our unique LEGO® experience. Get ready to build your base, craft your tools, use your Minecart to harvest raw resources, and battle to stop the Ender Dragon from ending the world. Come explore the endless possibilities of LEGO® with a trained Play-Well instructor.

## **Minecraft Master Engineering Using LEGO-** Tuesdays 1:30-2:45, Grades: 2-5

Bring your favorite Minecraft adventures to life with our enthusiastic Play-Well instructors. In a Minecraft world powered by LEGO® resources, we will build shelters to keep out Creepers, craft mystical items that only true masters can wield, and perfect our crossbow skills to stop the Wither from taking over! If you can imagine it, we can build it.

Kids are already naturally gifted creators. They dive into our massive collections of LEGO®. And while they build elaborate objects they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting. **Learn more**
