LEGO Engineering Adventures!

So you want to be an engineer or architect? Well what are you waiting for? This is your chance! Join us as we put our engineering skills to the test to pair up to build bridges, vehicles and more. We'll learn about different types of careers for you to explore. Do you want to build bridges? Then civil engineering might be the job for you. Want to design the next cool electric car? Then you may be destined to become an automotive engineer. Come learn, build and experience engineering adventures with us!

Build a LEGO motorized car model and more!
