AFTER SCHOOL

So fun... it won't feel like learning!

MATES

2023 Winter Trimester After School Exploratory

Mondays: January 9, 23, 30 Feb 6, 13, 27 (No Class: January 16; February 20)

From 2:55 PM-3:55 PM (1st-5th Grades)

LEGO Engineering Adventures!

So you want to be an engineer or architect? Well what are you waiting for? This is your chance! Join us as we put our engineering skills to the test to pair up to build bridges, vehicles and more. We'll learn about different types of careers for you to explore. Do you want to build bridges? Then civil engineering might be the job for you. Want to design the next cool electric car? Then you may be destined to become an automotive engineer. Come learn, build and experience engineering adventures with us!

Build a LEGO motorized car model and more!

Rates and Registration:

Register your child online for our program at:
www.growingoutdoors.com
and they'll receive their own
LEGO® Minifigure!

For a full description of the class and to register online, please visit:
www.growingoutdoors.com
If you have any questions please call:
(818) 889-8383
