

go NATURE

Fridays @ Oak Hills from 1:15-2:15

Explore, Learn, Create with GO Nature! Join us as we **explore** the wonderful world around us while **learning** about our plants, animals, ecosystems, conservation, and so much more. Each week will focus on a different activity with students **creating** a fun craft to take home. Don't miss your opportunity to be stewards of your environment and unleash the Naturalists inside you!
