Kindergarten – 1:40 to 2:35pm; 1st to 3rd Grades – 2:55 to 3:55pm

Register At: www.growingoutdoors.com
for dates, pricing, and to register online!

The foundation of mathematics is **Number Sense** - the ability to appreciate the size and scale of numbers in the context of the question at hand.

Mathnasium builds the deep understanding and lifelong love of mathematics that come from number sense.

Great Math Foundations are a set of fun activities inspired by the structured program delivered at Mathnasium Learning Centers.

Westlake Village: 30833 Thousand Oaks Blvd, near Lindero Canyon

Thousand Oaks: 636 Janss Rd, near Moorpark Rd
