COURSE DESCRIPTION:

This session, students become real-life inventors on Professor Egghead's team as they experiment with awesome inventions like helicopters, rockets, and catapults and learn the science behind what makes them work! Then they'll create their very own inventions to take home at the end of each class. At the end of the session, students will receive their degree proving they're ready to go out and invent something amazing on their own!

WHAT IS PROFESSOR EGGHEAD SCIENCE ACADEMY?

All sessions of Professor Egghead are **BRAND NEW** and different from the previous session, with all new builds, experiments, take homes, and lessons. Continue the fun each session with a new module! Professor Egghead Science Academy offers the coolest science and engineering programs for girls and boys. **Space is limited and is filled on a first come, first served basis.** Science has never been this cool!™
