

WOODWORKING HELICOPTER PROJECT SPRING TRIMESTER

Whop whop whop! Do you hear the helicopter? How about making your very own in Woodworking?! Join the Spring Woodworking exploratory as you create this amazing wooden helicopter! This unique exploratory offers a hands-on experience that teaches important skills! Our trained instructors will teach you how to cut, glue, sand, and more to be able to complete the project using the skills you learn. At the end of the session, you will add your own touches to make your helicopter unique!
