

Great Math Foundations, Spring 2024

by

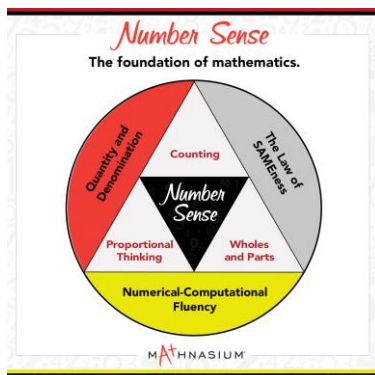

growingoutdoors + **MATHNASIUM**[®]
The Math Learning Center

What Is It? *Fun problem solving and critical thinking activities to exercise "math muscles" and build number sense!*

When Is It? *Mondays at White Oak!*

*February 26th to May 6th (No class March 11th and April 1st)
Kindergarten to 3rd Grade – 2:15 to 3:15pm*

Register At: www.growingoutdoors.com
for dates, pricing, and to register online!

*The foundation of mathematics is **Number Sense** - the ability to appreciate the size and scale of numbers in the context of the question at hand. Mathnasium builds the deep understanding and lifelong love of mathematics that come from number sense.*

Great Math Foundations are a set of fun activities inspired by the structured program delivered at Mathnasium Learning Centers.
